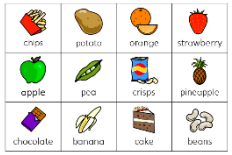
Week Commencing – Monday 22nd June 2020

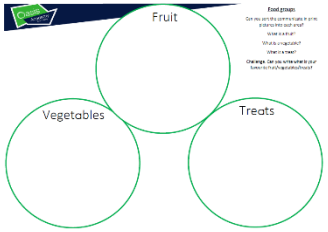
Knowledge and Understanding

Looking at different foods.

Looking at different types of foods and sorting them into the following categories:

Fruit, vegetables and treats.





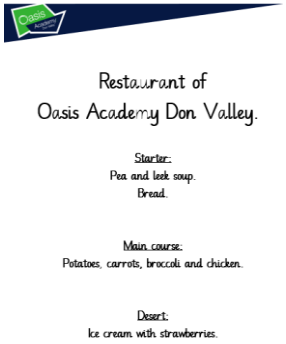
Expressive Arts

Make a feast using the different foods.

Can you make a menu that has vegetables and fruits in it?

Look at Miss De Sousa's example:

Include different foods from your chart.



Physical Development

Fine motor skills.

Can you pick up some leaves and petals from your garden using a peg?

Can you pick up some pasta or rice using a peg?

Link it to moving into a new class (Y1) or starting back in the Academy over the next few weeks.

Consider these questions:

What are you excited about? Are you nervous about anything? Are you scared about anything?

This is Jigsaw Jerrie Cat. He gives us time to pause and think about questions we may have been asked.

If you have any worries, why don't you write them down and send them to Miss Smith or Miss De Sousa. They will be able to help you.

Phonics

Tricky Words

Can you remember any of the tricky words we have learnt in Reception?

(Remember: a tricky word is a word that we can not segment)

This week can you play some games with the tricky words below?

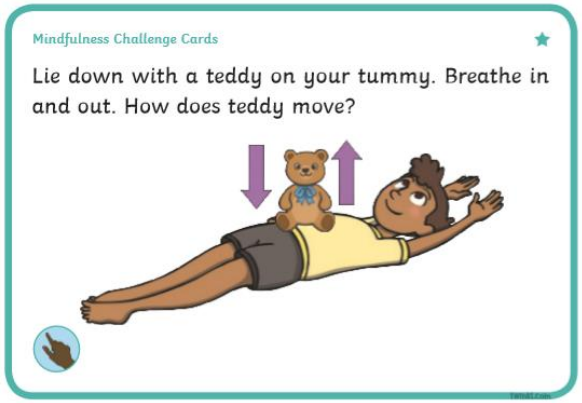
Game 1: Bingo – choose between 4 and 6 tricky words, add them to a grid or just have the words in front of you. An adult calls out a tricky word – if you have it, cross it out or turn it over. Once all your tricky words have been called out, shout BINGO!

Game 2: Snap – have 2 copies of each word, place them down one at a time, taking it in turns. If the same tricky words appear shout SNAP!

Game 3: Hide and Seek – hide the tricky words around your house/garden. Go on a hunt to see if you can find them.

Extra Mile Activity

Mindfulness Challenge Cards



It is important to have some time away from your tablet, TV or computer.

Can you take some time to complete the challenge above? Lay flat on the floor and use your favourite teddy to complete it.

Knowledge and Understanding of the world:

Use the following pictures to complete the worksheet on the Oasis Academy Don Valley website.

chips	potato	orange	strawberry
apple	pea	crisps	pineapple
