27th March 2019

Dear Parent/Carer,

Visit to Alton Towers – Tuesday 16th April 2019

We are delighted to be able to offer our Year 4 and 5 children the exciting opportunity to visit Alton Towers on **Tuesday 16th April.** This visit is a great opportunity to develop your child's understanding of their current Science topic about forces and we would like all children to attend.

During the day, the children will participate in a workshop called 'Newton's Racers' where they will discover how science affects the design of the rollercoaster cars and they will then design and build their own. The children will then get to explore the park and enjoy the thrill of the rides.

We will travel to and from Alton Towers Resort by coach (this will have seatbelts fitted) **which will leave the Academy at 7:45am** prompt therefore, it is very important that your child arrives to the Academy in good time. We will return at **approximately 4:00pm** where you will be required to collect your child from the Academy.

All children **must attend** in their Academy uniform and lunch will be provided. If your child requires any medication for the day, please discuss this with their class teacher before the visit. Children will be supervised by an appropriate adult in small groups throughout the day.

We request a voluntary contribution for the visit of **£20.00**. Please note: **if we do not get enough voluntary contributions to cover the cost of our visits, we may be limited to or have to cancel those planned in the future.**

Payment and reply slips must be returned to the main reception by **Friday 29th March.** A full risk assessment will have been undertaken prior to the visit however, the Academy reserves the right to withdraw this visit at any time.

If you have any further questions, please contact the Academy on 0114 2200 400.

Yours sincerely

Miss Cheetham
