Please read this information carefully before completing the details below and returning the form to the Academy

The Academy currently runs morning and afternoon sessions. When a place becomes available in one of our sessions, we will notify you in writing of the place and time we have offered. You then have 7 school days to accept this either in writing or by phoning the Academy to confirm. As demand for places in our Nursey is very high, **if we do not receive this confirmation we will have no alternative but to offer the place to the next child waiting for provision.**

Your child needs to attend Nursery very day. If there is persistent absence from the Academy this could result in your child's place at Nursery being withdrawn.

If you are entitled to Free Early Learning (FEL) funding, you must ensure this is in place and be able to provide evidence to the Academy prior to your child beginning Nursey, please ask for assistance at the Academy office if you are at all unsure of this process and how to claim.
