

Oasis Academy Don Valley Admission to Nursery

Process for Application for Nursery:

- Parents may submit an application at any time for a place for their child.
- All parents applying for a place will be given a copy of the admissions policy and procedures that are in force at that time
- The admissions policy and procedure and application forms will be distributed to parents, upon request, by the Academy.
- Applications will be considered each term and any vacant places will then be offered.
- Where there are more applications than places, all applications will be considered using the oversubscription criteria only.
 - The offer of a place will be prioritised according to age. This means that the oldest children from the term after their third birthday will be given priority.
 - In the event of a place becoming available and two or more applicants have the same date of birth; priority will be given first to children with a sibling within the same family unit at the Academy and then to the earliest date of application.
- All information given by the parent / carer / legal guardian will be regarded as confidential, but will be made available to those considering the application.
- Admission to nursery (FS1) is not a guarantee of a place for a child in to the Academy Reception classes (FS2).
- Children are eligible for nursery from the term after their third birthday if a parent is applying for a statutory nursery place or from the term after their second birthday if a parent is applying for a Free Early Learning (FEL) place. Therefore, children will be admitted at the beginning or during any of the three terms (autumn/spring/summer) subject to the availability of a place.
- The Academy will endeavour to provide 4 FEL places per AM/PM session at the start of each academic year and where ratio will allow.

- The Principal and at least one other member of staff will determine the admissions.
- Staff will liaise with other bodies (e.g. Local Authority, Health, Social Services, Pre-schools etc.) as appropriate to secure more information about the child's individual play / care / learning needs.
- The Academy offers 15 hours provision per week for each child Monday to Friday (either AM or PM slots) it does not offer a mix of am or pm, nor part-time provision.
- Parents will be offered the first available slot be this AM or PM, if this is not suitable applications can be held until / if such time a preferred slot may become available.
- Allocation will be at the discretion of the Principal.
- Parents will be informed as soon as possible after their application has been considered.
- All children due to start in any particular term, will be given a common starting date. Where there are large numbers of children due to start in the same term, these will be phased in over a short period of time.
- Familiarisation visits will be held with all children, this will include a home visit by a member of the Academy staff.

- Attendance will be recorded and monitored, in line with all phases of the Academy.
- First day response calls will be made if no contact is made.
- Parents and carers are requested to make medical appointments outside session times to ensure full attendance
- Holidays will be in line with the rest of the Academy.
- Parents and carers are requested to make every effort to ensure holidays are taken in holiday time.
- Parents and carers are requested to ensure their child arrives punctually at the start of every session.
- If the Academy deems a child's attendance to be unacceptable, this may lead to their place in Nursery being withdrawn and passed to the next child.
