

## I should already know:

- Some animal names
- The sounds different animals make

## I will learn:

- I can recognise the difference between a farm animal and an animal which lives under the sea.
- I can recognise 2D shapes, Triangle, Square, Rectangle and Circle.
- I can draw a picture of my favourite animal and talk about it. "My favourite animal is a dog because, they give really good cuddles".

## This will help in the future:

### The World-

Shows care and concern for living things and the environment.

## Key Words

<b>Pets</b>	A pet is an animal that lives in your house or in your garden.
<b>Habitat</b>	A habitat is where an animal lives. For example, A Frog will live near a pond/water, A Tiger will live in the jungle.
<b>Arctic Animals</b>	An Arctic animal is an animal who lives in a very cold place surrounded by snow and ice.

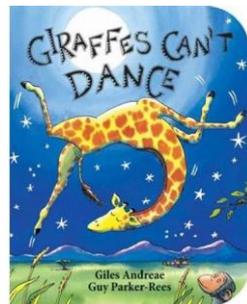

## Dear Zoo

Rod Campbell

## Greater Depth Challenge

Talk to your friend about which is your favourite animal. Can you explain why it is your favourite animal?

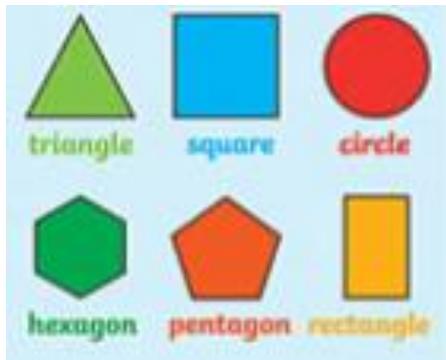

## Further Reading

- Dear Zoo
- Giraffe's Can't Dance

## Maths

I can recognise 2D shapes, triangle, square, rectangle and circle.

Sentence examples :

“A circle has one side”

“A square has 4 corners”

“A book looks like a rectangle”

## Curious Questions

Which animal would you like as a pet?

How can you look after a pet?

Which animals live on land and which live in the sea?

## Expressive Art and Design

I can draw a picture of my favourite animal and talk about it.

This is my favourite animal.  
It is a cat and it says meow

## Phonics

I can hear the initial sound for the animal

I can make an animal noise

“A dog says woof, dog starts with d”

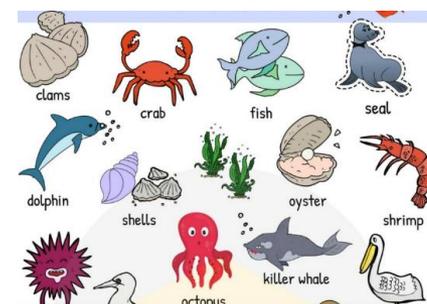

## Knowledge and Understanding

I can recognise the difference between a farm animal and an animal which lives under the sea.

Farm animals include sheep, pigs, cows, ducks, rabbits

They are animals kept on a farm and looked after by farmers.

Sea creatures include octopus, seals, dolphins, fish and whales

Creatures who live in the sea, some may also go on land e.g. seal
