

## I should already know:

I can name the four countries in the United Kingdom and locate them on a map.

I know some features of an island.

## I will learn:

### Music

I can increase and describe the tempo.

I can order sounds to create a beginning, middle and an end.

### Art and Design

I can mix paint to create all the secondary colours.

I can create brown with paint.

I can create tints and tones with paint by adding white and black.

### Geography

I can name the world oceans and locate them on a map.

I can use directional vocabulary to describe a location.

## This will help in the future:

I can use grid references on a map.

I can use a range of brushes to create different effects in painting.

## Key Words

secondary colours	A colour that has resulted from mixing two primary colours together.
primary colours	Three colours that are used to mix to make other colours.
tempo	The speed of music.
volume	How loud or quiet music is.
ocean	A huge area of sea.
human features	Natural features of land.
physical features	Features of land that have been impacted by human activity.

### Human Geographical Features

### Directional vocabulary

far

left

near

right

### Physical Geographical Features

## Thinking Deeper Challenge

Explore the layers of the ocean. Can you use household objects to recreate it and label the different parts?

## Geography

### What is an ocean?

An ocean is a huge area of sea. There are five oceans in the world.

## R.E

### What is Shrove Tuesday?

Shrove Tuesday is the day before lent starts. The name Shrove comes from the old middle English word 'Shriven' meaning to go to confession to say sorry for the wrong things you've done.

The other name for this day, is Pancake Day. This is because the day before lent, Christians used to use all their fattening ingredients so they would be ready to fast for lent. The fattening ingredients that most people had in their houses in those days were eggs and milk. A very simple recipe to use up these ingredients was to combine them with some flour and make pancakes!

## Music

Drag your chosen sounds into the bars

Click the different tabs to select different sounds and instruments.

Press this to play your music.

Slide the tempo bar to change the speed of your music.

These slider changes the volume of the sounds.

This deletes your music if you want to start again.

## Art

### Primary colours

Red, yellow and blue are primary colours. You can mix these colours together to make other colours (secondary colours).

### Secondary colours

These are colours that we can make when we mix primary colours together.

## Colour Mixing

+ =   
 Red and blue make purple.

+ =   
 Yellow and red make orange.

+ =   
 Blue and yellow make green.
