

Miss Allen's group

**Focus:** Maths

These are designed to support your child.

Miss Allen has put together some activities for you to try, alongside the other learning opportunities posted on the OADV website.

The aim is to do the activities over one week (please do not do them all at once)

Activity	Resources you might need	Can you send Miss Allen a photo?	I have completed this <b>Child to tick</b>
<b>Activity 1</b> Doubling  Can you put the right number of dots on one half of the paper? If you have paint fold it in half and see how many dots are on the other half. If you do not have any paint you can use felt tip pens instead.  You can choose any number from 1-10.	Felt tip pens or paint and paper	Can you send a photo to <a href="mailto:info@oasisdonvalley.org">info@oasisdonvalley.org</a>	Date completed:  Rate how it went:   
<b>Activity 2</b> Halving  Can you and your adult collect objects from around your house in groups of 2,4,6,8,10? Then halve these numbers, by splitting the objects into 2 equal groups and write down the answer.  e.g Miss Allen found four objects from around the house she then halved them equally between two people.	A sheet of paper e.g newspaper or a4 paper and objects from around the house.	Can you send a photo to <a href="mailto:info@oasisdonvalley.org">info@oasisdonvalley.org</a>	Date completed:  Rate how it went:   

<b>Activity 3</b> Sharing  Can you find six small objects around the house? Count how many objects you have found and write down the number of objects you have found? Can you share the objects with your adult in different ways e.g. can you share them, so everyone has 3 each? Or 5 each? Or 2 each? How many objects do you have left?  Can you name all the objects that you found around the house and say how you shared them out? ☺	Objects from around the house, a piece of paper	Can you send a photo to <a href="mailto:info@oasisdonvalley.org">info@oasisdonvalley.org</a>	Date completed:  Rate how it went: <span style="font-size: 2em;">😊</span> <span style="font-size: 2em;">😐</span> <span style="font-size: 2em;">☹️</span>
<b>Activity 4</b>  Use purple mash to help the sequence snake grow by using	Access to the internet e.g laptop, tablet or computer	Can you put this on your purple mash?	Date completed:

your problem-solving  
skills – see “2dos” on  
Purple Mash
