

Nature and Beyond

Week commencing 20/04/2020

Topic	PSHE	Science
<p>You will find additional information and pictures to support your topic learning on our section of the Academy website.</p> <p>Don't forget about our home learning gallery on the Academy website and our Twitter page where your work can be displayed.</p> <p>We can't wait to see the amazing work you will produce.</p> <p>We will also be giving class champion points so don't forget to share your work with us!</p>	<p>Learning outcome: I can identify and put into practice some of the skills of friendship, e.g. taking turns, being a good listener</p> <p>Make a poster detailing the skills of friendship; discuss these with siblings/ family members. Put this poster on your wall/ somewhere visible to remind you and your siblings/ family members of these skills and to follow them whilst you are all at home.</p> 	<p>Look at the pictures of Miss Caudwell planting her bean seedlings.</p> <p>Put the pictures in chronological order. What is the first step of planting a seed? What did Miss Caudwell have to do next? etc.</p> <p>Look at the pictures of where Miss Caudwell has put her bean seedlings. Make a prediction as to which will grow the most and which will grow the least. Why?</p> 
<p>Geography</p> <p>Look at the map of the world. Identify the countries you think would be more likely to flood and explain why.</p> <p>Now look at the list of the countries that are most likely to flood. Can you find these countries on the map?</p> <p>Ask the question "What makes these countries more likely to flood than others?"</p> <p>Look at the information Miss Caudwell has provided on each country detailing their features. Can you pick out the features of each country that makes them more likely to flood?</p>	<p>Computing- Algorithms</p> <p>An algorithm is a sequence of clear instructions. An algorithm can be used to programme a computer. Working with a family member take it in turns to give instructions/ pretending to be a robot. Are you giving clear enough instructions? Are they easy to follow?</p> 	<p>Homework Menu</p> <p>Choose an activity from the homework menu and complete.</p>
