

**Science**

**What is a life cycle?**

Watch the clip below to recap lifecycles.

[lifecycle learning clip](#)

Research the life of a butterfly and draw the life cycle.  
Write an explanation for each stage.

**Geography**

**Can you identify the key features of a mountain range?**

Find the meaning of the words below:

- Summit
- Foot
- Outcrop
- Valley
- Ridge
- slope

**Draw a mountain range that includes all of the features listed above and label your drawing.**

**Music**

**Can you compare two pieces of music?**

[Mozart Piece One - Andante](#)

[Mozart Piece Two - Alla Turca](#)

Use the links above to listen to two different pieces of music by Mozart.

Use the venn diagram below or draw your own in your book to compare the two pieces of music using your musical vocabulary from previous lessons (refer to your knowledge organiser) – **How are they different? How are they the same? Which one do you prefer? Why? How would you describe each one?**

**Jigsaw**

**Can you identify how our responsibilities change, as we grow older?**

A **responsibility** is something that is your job or duty to deal with.

Use the table below to compare the responsibilities of a child and adult. You can draw it in your book or use the one below.

What responsibilities do you have as a child? What responsibilities do you have as an adult? Are there any responsibilities that both have?

**R.E.**

**Can you create a PowerPoint presentation about the importance of Mecca?**

Use your research from last week to create a PowerPoint presentation that tells your audience about the importance of Mecca in Islam. Make sure you includes lots of facts, information, images and detail!

**Mindfulness**

Do some mindfulness colouring – you could create your own pattern using a YouTube tutorial!

[mindfulness art activity](#)

[mindfulness create your own pattern](#)

**Child responsibilities**

**Adult responsibilities**

**Piece One – Andante**

**Piece Two – Alla Turca**
