

## I should already know:

- The ten commandments followed by Christians.
- I know how to use books and the internet to find out more information about the past.

## I will learn:

**RE**  
How Christians use scriptures as 'guide books' for living.  
Which rituals and celebrations mark important parts of a Christians life.

**History**  
I can describe the Stone Age, Bronze Age and Iron Age. I can compare the three time periods.

**PSHE**  
To understand the importance of having clear goals.  
To know how to overcome obstacles which may prevent me reaching goals.  
How attitudes can impact outcomes e.g. having a positive attitude vs having a negative attitude.

## This will help in the future:

To be able to place different periods of history on a timeline in chronological order.

## Key Words

RE	
Baptism	A religious rite of sprinkling water, symbolising purification and the admission into the Christian Church.
Confirmation	A rite where a baptized person affirms their place with the Christian church.
History	
Neolithic	New Stone Age
Mesolithic	In between new and old Stone Age
Paleolithic	Old Stone Age
PSHE	
Obstacle	Something that may block the way or hinder progress.
Goal	A person's ambition, aim or desired result.
Attitude	A way of thinking about things e.g., having a positive attitude or having a negative attitude.

Stone Age tools.

A Stone Age settlement.

This is a font, this is where Christians are baptised.

## Thinking deeper challenge

Are there any similarities between the key events in a Christians life and a Muslims life?

The Dot  
by Peter H Reynolds

## PSHE

**Obstacle** – Overcoming an obstacle can be difficult, but when you have a **goal** in mind it is important to remember to persevere even when **obstacles** are in the way.

**Goal** – Having a clear **goal** is really important. It can help you stay on track and make sure you have something to aspire to.

**Attitude** – Having a positive **attitude** is similar to having a growth mindset. You need to think that you can do things rather than you can't. Having a negative **attitude** is not going to help you overcome **obstacles** and achieve your **goals**.

## History

The Stone Age is a period of prehistory that occurred around 2.6 million years ago.

The Stone Age is split into three different time periods.

The **Neolithic**, **Mesolithic** and **Paleolithic** periods.

After the Stone Age came the Bronze Age and the Iron Age.

The main differences between the Stone Age and the Iron Age is the materials they used to make their tools.

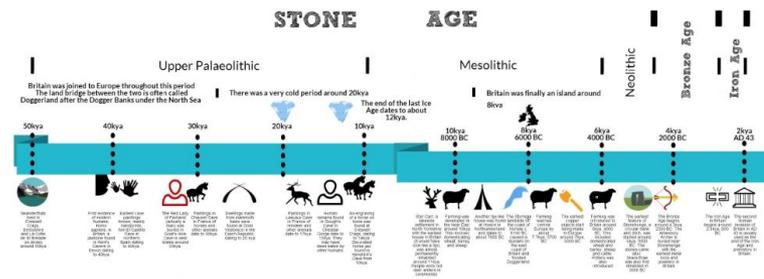

Stone Age people used stone, sticks and animal bones whereas Iron Age people used Iron and Steel.

## RE

Throughout their lives, Christians celebrate many milestones. As an infant they will be **baptised** using the water from a font. As they grow up they will decide if they want to re-affirm their faith.

If Christians decide to affirm their Christianity, they will take part in a **confirmation**.

Then, a Christian may decide to get married when they are older.

# STONE AGE

## Upper Palaeolithic

## Mesolithic

## Neolithic

## Bronze Age

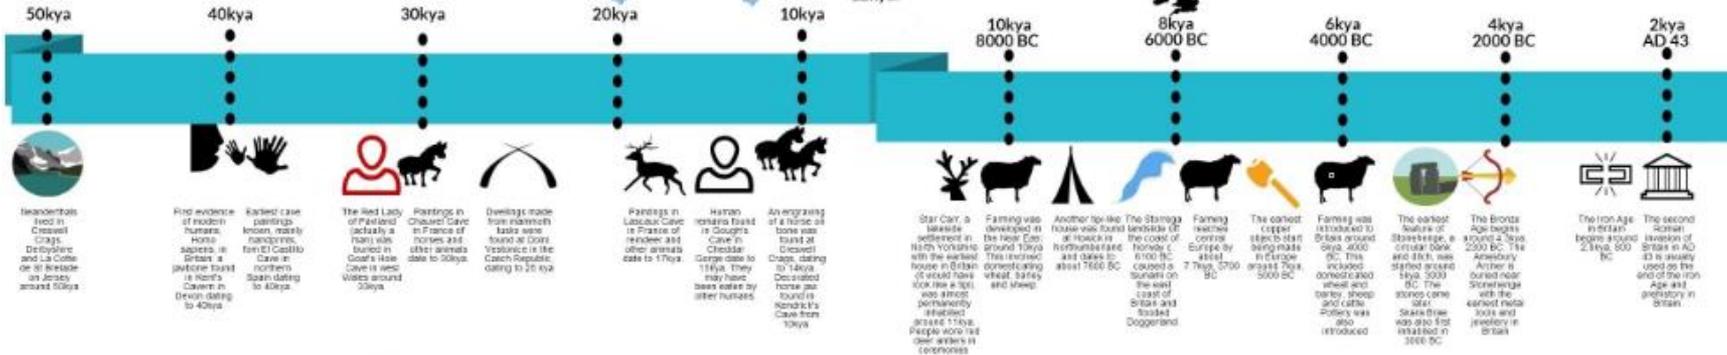

## Iron Age

Britain was joined to Europe throughout this period  
The land bridge between the two is often called  
Doggerland after the Dogger Banks under the North Sea

There was a very cold period around 20kya

The end of the last Ice  
Age dates to about  
12kya.

Britain was finally an island around  
8kya

## PSHE

How could you overcome an **obstacle**?

What would you do if you or a friend had a negative **attitude**?

What **goals** can you set for yourself this year?

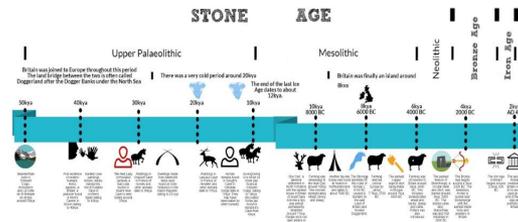

## History

Which three time periods is the Stone Age split into?

What are the main differences between the Stone Age and the Iron Age?

When did the Stone Age occur?

## RE

What is the name of the Christian celebration which symbolises purification?

What is a confirmation?

Which article of church furniture is used within a **baptism**?

## PE

What is dance?

How can we use movement to express ideas?
