

# OASIS ACADEMY DON VALLEY

Topic Homework Menu

Autumn Term 2

Class Blyton/Walliams

Please help your child complete at least 3 activities from the menu below:

## Starters

Create a times tables rap for your 6 times tables to help you practise. Ask a grown up if they will help record you performing this. Good Luck!

Research about Malala Yousafzai and tell me how she inspires you. Then produce your own speech as if you were Malala.

Use a thesaurus to find 5 synonyms for the word powerful to use in our learning.

## Mains

Changing states - Thinking about what you already know, carry out an experiment and attempt to change the state of a chocolate bar. Make a prediction and write down the steps you take. Don't forget to make a hypothesis. Finally, what has happened to the chocolate?

Get Creative! Build an Ancient Egyptian Pyramid using scrap materials from around your home!

Create a wordsearch for your spelling words and see if your family members/friends can solve them!

## Desserts

Use TTRS to practise your 6,7,8,9 and 12 x tables.

Create a poster in German about your family tree using your learning from this half term.

Design your own Ancient Egyptian costume using materials from around your home. Take a picture of you wearing your home-made costume.

Thinking about the persuasive devices we have been using. Produce an advert persuading us to take a holiday to Cairo in Egypt! It's much needed!
