

## I should already know:

- How to log on to a computer independently
- How to draw a portrait

## I will learn:

**RE**  
How Jewish families and communities live out their faith.

**Art and Design**  
I can show facial expressions in my art, use different grades of pencil and use sketches to produce a final piece of art work.

**PSHE**  
I can recognise my worth and say positive things about myself.

**Computing**  
I can create a blog and log into all of my accounts.

## This will help in the future:

Understanding how religious leaders impact the followers of a religion.

## Key Words

Judaism	Judaism is the religion followed by Jewish people.
Synagogue	A synagogue is the place of worship for people of the Jewish religion.
Prayer	Prayer is how people of different religions talk to their God.
Sketch	Sketching is a type of drawing that is done completely freehand
Shade	Lines and marks used to show different patterns and colours.
Choices	The act of picking between two or more possibilities.
emotions	Emotions are also called feelings. Feeling happy, sad, angry are emotions.
responsibilities	Responsibilities are the things you are expected to do.

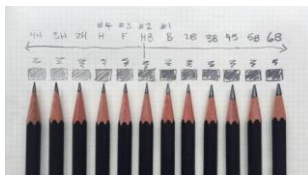

**School Responsibilities**

1. I will follow all directions given by any school personnel.
2. I will keep hands, feet, and objects to myself.
3. I will not make rude gestures or talk in a disrespectful tone.
4. I will respect school property and the property of others.
5. I will be prepared for class and practice good work habits.

Responsibilities

Prayer

Different grades of pencil

## Thinking deeper challenge

Using purple mash write a comparison between Judaism and a religion of your choice.

Here we are –  
Oliver Jeffers

## PSHE

**Responsibilities** are important, you can make choices yourself or you may have control over something which is your responsibility.

**Choices** are when you can choose between different options, you can choose your goals and achievements.

**Emotions** are how you feel, there are many emotions such as; happy, angry, sad, excited, worried, anxious and optimistic.

## Computing

**Blogs** are websites which are updated regularly by either one person or a small group of people.

They are often informal and chatty, written in a diary style format.

You can create a variety documents using a computer, such as; posters, presentations and spreadsheets.

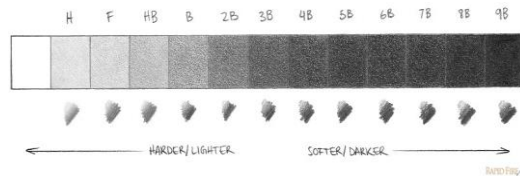

## Art and Design

Facial expressions are details on your face such as Wrinkles and frown lines.

Different pencil grades can be used to shade and show different tones and textures.

We will use shading to create a final piece of art work.

## RE

Jews worship God in a **synagogue**. Jewish people attend services at the **synagogue** on Saturdays during Shabbat.

Jews believe that there is only one God. They believe they have a special agreement with God called a covenant. Jews promise to obey God's laws to say thank you to him for looking after them.

The Jewish holy book is known as the Tanakh or Hebrew Bible.

The Torah has 613 commandments which are called mitzvah. They are the rules that Jews try to follow. The most important ones are the Ten Commandments given to Moses.

## PSHE

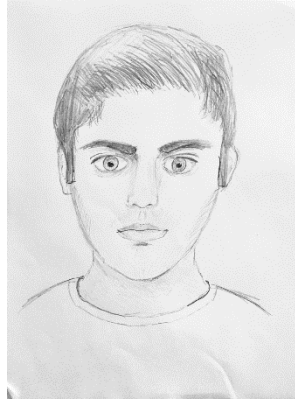

What are some of your responsibilities?

Can you talk about some of the emotions you felt coming back to school?

What will your goal be for year three? What do you want to achieve?

## Art and Design

How can you show facial expressions?

Why would you use different grades of pencil?

## RE

What is the name of the place where Jews go to worship?

What is the Jewish holy book called?

What are the 10 commandments that are followed by Jewish people?

## Computing

What could a blog be used for?

What are some of the things that you can create using a computer?
