# TTRS – Most correct answers

Year 2 – Zayaan Ahmed

Year 3 – Ibrahim Khan

Year 4 – Mohammed Yousef

Year 5 – Adam Ismail

Year 6 – Zain Humaidan

ALL classes are against each other to be number one! You have until after the holidays to get to the top!

Who will win!

# Nursery – AM

Star Writer – Zubair

Zubair produced an amazing piece of literacy work. He carefully listened to the story 'Dear Santa' which enabled him to be able to re-tell parts of the story, "The lion was too scary" What did Santa say? "I'll send a cat".

Marvellous Mathematician – Humna

Humna has worked extremely hard over this half term, especially when we focussed on sinking and floating. Humna said "float they go up" and "sink it down".

# Nursery – PM

Star Writer – Ismael

Ismael independently created a picture. What have you drawn? "A house, my brother Ibraheem, my daddy". Ismael drew circles to represent his brother and his daddies faces. He then added two eyes, two arms, two legs and a mouth.

Marvellous Mathematician – Zunaira

Zunaira independently chose to explore within the number area looking at shapes, she categorised the shapes into four different piles, when asked she could name the four different shapes, she had categorised. "Triangle, circle, square, rectangle"

# Class Ahlberg

Star Writer – Sabreen

It has been great to see Sabreen's handwriting improve over her first term in Class Ahlberg. Her letter formation is loads better, and her letters are recognisable (compared to her initial mark making in September). Sabreen is super proud of her writing and has been using word mats on Teams to help her with her spelling. Keep it up, Sabreen!

Marvellous Mathematician – Kevin

Kevin has been working really hard this half term to learn about 3d shapes, weight and using positional language. He is always enthusiastic with his maths and has started to try to speak in fuller sentences when giving his answers. Well done Kevin!

# Class Donaldson

Star Writer – Fatima Hannah.

Fatima Hannah's writing has been amazing since the start of the year, and is continuously coming on leaps and bounds. Fatima Hannah is forming most letters correctly and is using all of her phonics knowledge to help her writing. She is also reading back her work to make sure it is correct. She has been trying really hard with her finger spaces and it definitely shows! Well done Fatima Hannah!

Marvellous Mathematician – Subhaan

Subhaan has shown an unbelievable understanding with his shapes, measure and positional language this half term – he has been working REALLY hard to make sure that his understanding is strong – and he is asking questions when he's not sure.

Amazing work this half term Subhaan, keep it up!

# Class Murphy

## *Star Writer*

Shiloh is the STAR write this term. She innovated her own narrative for 'Eliot Midnight Superhero' using a great imagination. She included capital letters, full stops and adjectives to add greater description to her writing. She is able to use her phonics knowledge to segment and spell and has become more independent at checking her own work.

## *Marvelous Mathematician*

Eesa has made good progress in Maths this term. He has shown a good understanding of how to use his known facts to solve different subtraction and addition equations. He is able to use the STAR words to articulate his understanding of the concepts and prove his answers.

# Class Ross

*Star Writer – Hibba Jadood*

*Hibba has grown in confidence in her writing.*

*Hibba is beginning to think more creatively, she is using her verbs, adjectives and nouns to construct fantastic sentences. Hibba's use of punctuation and key vocabulary has been excellent- she has been referring to the working wall when planning her big write and her handwriting is beautiful. We will focus more on small, tall and tail letters and try to achieve handwriting awards.*

*Marvellous Mathematician – Salam Aburuais*

*Salam has come a long way and has started to think systematically. Before working out an answer, he has shown prior knowledge and skills- 'if I know, then I know.'*

*Salam is improving his presentation in maths and is trying extremely hard when he is faced with a mathematical challenge. Well done Salam!*

# Class Hargreaves

*Star Writer – Mohammed Saleh*

*Mohammed has been working enthusiastically to improve his writing in a variety of ways. The largest improvement is in Mohammed's vocabulary choice, as he is able to identify several appropriate synonyms for words. His sentence structure has also improved, as he is able to start his sentences in a variety of ways. Fantastic work Mohammed!*

*Marvellous Mathematician – Jessica*

*Jessica has found a new confidence within her maths! She is extremely confident when working with time, identifying quarter past and quarter to on a clock. Her fluency has improved as well, as she is much faster at identify the operation needed. Well done Jessica!*

# Class Dahl

## *Star Writer – Ismaeel*

*This term Ismaeel wrote a fantastic narrative about Perfectly Norman. Here he used a range of conjunctions such as 'but', 'until' and 'with' to make his writing more detailed and interesting. Ismaeel also took his time to make sure his letters were formed and he took pride in his presentation. He was then awarded the handwriting crown for the first time!*

## *Marvellous Mathematician – Farah*

*Farah always tries hard in maths and loves been challenged! This term she has worked on her multiplication knowledge and is able to recall her 2s, 3s, 5s and 10s timetable confidently! She is then able to use this knowledge to solve missing multiplication and division equations efficiently.*

# Class Morpurgo

## Star Writer

Our Star Writer this half term is Rooya. She endeavors to produce outstanding work to the best of her ability every lesson. She listens carefully to the skills needed and ensures they are included. Her attitude to improvement and progress is incredible and this dedication is reflected in her work every time. Well done Rooya, you are a star.

## Marvellous Mathematician

Our Marvellous Mathematician this half term is Musa. He volunteers excellent contributions in every session and has worked hard to improve his concentration and focus. Keep up this great attitude Musa.

# Class Pratchett

## Star Writer

Pratchett's Star Writer is Zayan Kahn. Zayan's writing is always excellent, however Mr Mills was particularly impressed during one Novel Study lesson. The task was to summarise a chapter, and Zayan not only did this but applied his writing skills from English to turn the summary into a beautiful narrative with a range of devices. This desire to go the extra mile and take pride in all his work is why Zayan is our star writer.

## Marvellous Mathematician

Pratchett's marvellous mathematician is Nikola. Nikola has been working incredibly hard in her maths. She hasn't always found it easy, but through hard work she is now able to identify hundreds, tens and ones in 3-digit numbers. She has also used dienes to apply that knowledge to adding and subtracting in each column. Mr Mills and Miss Owen are so proud of her. Well done Nikola!

# Class Blyton

## Star Writer

Ayyub's writing is exceptional. The descriptive devices and vocabulary that he uses are beyond his years. We are so proud of Ayyub's effort with his writing. He wrote an outstanding description of SWAT Valley that could have been written by a professional author. Ayyub also applies his skills when writing in other subjects. Keep up the amazing work! Well done!

## Marvelous Mathematician

Reena always puts maximum effort into her maths work even if she may sometimes find it tricky. She shows perseverance and determination when solving problems, and she always makes use of apparatus to help her find the correct answer. Reena is becoming a much more independent learner in maths and we are so proud of all the progress that she is making, especially with her timestables! The practise that she does at home is incredible. Well done Reena!

# Class Walliams

Star Writer- Jamella Al-Dalai

Jamella has written a phenomenal biography and her writing is outstanding! She has been working extremely hard to include all the features within her writing.

The effort can be seen in her work and throughout all her subjects. Well done Jamella!

Marvellous Mathematician – Leah Ali

Leah shows consistent effort in her maths, she is always determined and works well with her partner. She has been working hard on her mental strategies this term and has shown great perseverance with the short method of division.

# Class Rosen

Star Writer – This half terms star writer is Hussain. Hussain put a massive smile on Miss Armstrong's face recently when he had written the most powerful setting description. He applied all the devices we have been looking at carefully which meant his writing flowed nicely and his word choices were excellently used and considered very carefully. Well done Hussain, Miss Armstrong cannot wait to see some more of your writing throughout the year!

Marvellous Mathematician – Rayyan is our marvellous mathematician this term because of the determination and enthusiasm he has shown towards his maths learning. He has been working hard on developing his skills and working more independently on his learning. Well done, Rayyan. Keep up the great work!

# Class Rowling

Star writer

Amina is Class Rowling's Star Writer. Amina has wrote a fantastic setting description. She has taken great pride in her presentation, she has included all the features we identified including verbs, powerful verbs, similes, metaphors and fronted adverbials. She has shown confidence and pride in her writing.

Marvellous Mathematician

Class Rowlings Marvellous Mathematician is Amir. He always gives 100% in his Maths and works well with the person next to him through peer support.

This half term we have been looking at multiplication with a focus on the place value of digits. Amir has utilised the knowledge and skills he has developed to build on his learning showing confidence and pride.

Well done Amir!

# Class Wilson

Star Writer.

The star writer for this half term is Haleemah. Haleemah produces some of the most beautiful and well thought out writing I have seen. She is always challenging herself to improve her writing, always trying something new and her letter to the Queen was brilliant, thought-provoking and persuasive. Keep it up.

Marvelous Mathematician

The marvelous mathematician for this half term is Daniel. Daniel has been amazing in maths this half term, really challenging himself to be better. He always helps the other children in the class with their learning and has made excellent progress – as seen in his most recent SAT's!

# Class Lewis

Star Writer: Khaled Al-Aagam

Khaled has impressed me with his fantastic vocabulary this half term! He has engaged in our topic of 'Vikings' and has produced an amazing setting description based on a Viking village and a recount as a Viking warrior. He always tries to include adventurous vocabulary and contribute to class discussions with his creative ideas. Well done, Khaled!

Marvellous Mathematician: Tomas Kaleja

Tomas is our marvellous mathematician because of his enthusiasm in every maths lesson! His hard work and perseverance was demonstrated this half term when he achieved an AMAZING score in his arithmetic test! I could not be prouder of his determination. Well done, Tomas!
