

## I should already know:

Who to talk to in the academy if I have a problem

## I will learn:

- What community and identity is
- Why communities face conflict
- How to create a successful community and reduce conflict
- What citizenship is
- How to become an active citizen
- What friendship is and why it is important
- How to be a good friend
- How to deal with bullying
- How to become an 'upstander'

## This will help in the future:

Become an active citizen who can keep myself and others safe. Develop a community

## Key Words

Community	A group of people considered collectively with shared social values, activities and responsibilities.
Identity	The characteristics of who a person is.
Community Cohesion	Where there is a common vision and a sense of belonging for all communities.
Citizenship	Citizens are members of a country and community. Citizenship is how you live in this community. It is how we make society work, together
Friend	A person whom one knows, likes and trusts
Bullying	Verbal, physical, emotional and cyber attacks on others
Bystander	Someone who does not act or participate

## Greater Depth Challenge

What facilities are available in your community? Are they effective?

What does your community need? What can you do about it?
