Year 6 Residential Visit – amended

There was a mistake on the initial letter with the cost of the residential. The total of the residential is £221.00. If you have any further queries please speak with Ms Hanif in the office.

We are delighted to be able to offer our year 6 students a fantastic opportunity to take part in a 3 day (2 nights) residential visit to Newby Wiske Hall which is situated in the beautiful North Yorkshire countryside. The incredible Grade II listed building and the surrounding 30 acres of countryside have been designed to provide great accommodation, featuring bunk bed pods and it offers lots of opportunities for students to take part in fun, safe adventurous activities.

The visit will take place from Monday 17th June, and we will return on Wednesday 19th June. The cost for each student has been subsidised by the Academy and will be **£221.00** which includes travel by coach to and from the venue, accommodation and food (dietary requirements will be catered for).

Oasis Academy Don Valley staff will accompany students at all times (day and night) throughout the visit and a thorough risk assessment will be conducted prior to the visit.

To secure your child's place on this fantastic visit we are asking for a payment of **£20.00 which is a non-refundable deposit**. This visit will be set up on your child's MCAS account so you will be able to pay as little or as much as you want, when you can, hopefully this will help to enable you to help spread the cost. If you are unsure how to do this please call in to our Main Reception where staff will be only too happy to help with this – please note we will not accept cash for this visit.

To give you a flavour of what your child will be doing we have included a link below so you can have a look at what the residential will be able to offer.

This link will take you to a page specifically designed for parents to outline what your child may need and gives lots of details on what you need to know, but please do not worry we will be holding meetings to go through this with you and provide an opportunity to get the answers to any questions you might have.
