

15th July 2022

Dear parents and carers,

Weather Warning – Primary Students Guidance

As you are no doubt aware the Met Office has issued a weather warning for the coming few days, where we are expected to experience some very high temperatures. We are writing to outline some guidance in order to support our students and staff whilst in the Academy at this time.

As per government guidance, **all schools will be open on Monday and Tuesday** and we will be making some adjustments to Academy uniform on **these days only**.

Primary Students

Primary students should wear their PE kit on Monday and Tuesday to help stay cool. **PE kit is a white T shirt and black shorts**. Students **should not come** in football kit, tracksuits etc, they are also permitted to wear lighter footwear such as trainers or plimsols.

When outside students are encouraged to wear appropriate hats to stay cool when they are travelling to and from the Academy and will be permitted to wear them during break and lunchtime.

Please remember to apply sunscreen to your child before they arrive and to bring a small supply to reapply throughout the day.

Please ensure that your child comes to the Academy with water in a water bottle. As normal, they will be able to fill up their water bottle across the day.

Whilst we of course want students to enjoy the weather during PE, break times and lunchtimes, we will be encouraging them not to take part in rigorous exercise in the heat of the day.

Please remember on Monday and Tuesday:

- **PE kit**
- **A full water bottle**
- **Sunscreen applied, and a supply to reapply during the day**
- **A hat for the journey to and from the Academy and for use in the playground**

Thank you as always for your support of the academy as we ensure that everyone stays safe and cool during the hot weather next week.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J. Pape'.
