Dear Parent / Carer and Children

Do you need help with your homework?  
Need a quiet space?  
Are you a Homework Hero?  
Need to access WIFI?

We would like to share with you our 'After School Homework Clubs' for this term. Learning at home is an essential part of good education. Regular homework is important, since it gives children the opportunity to practice at home the tasks done in class and helps them work towards improving important skills. It also encourages children to become confident and independent in their learning, which will help throughout their time at school and, later in adult life.

We are providing these clubs to support children with completing their homework at school, particularly if they struggle to complete this at home or need some extra support.

Each session will take place between **3.00-3.45pm**. We would ask that parents arrive promptly to collect their children from the primary gate. If parents are late collecting their child when the club has finished, we will have to withdraw the place.

Please complete the slip below to confirm your child's place and attendance for the **full half term**.

Yours sincerely

Mrs Michels, Head of Primary
