

11th March 2024

Dear Children and Parents

This year Oasis Don Valley will be raising money for **Red Nose Day!**

We are going to have:

A non-uniform, wear red, fancy-dress kind of day
Friday 15th March 2024

Wallace

Gromit

Feathers

Red Nose Day first started in 1985 by Richard Curtis and Sir Lenny Henry after seeing the famine in Ethiopia. It was set up to end child poverty by funding different programmes to help keep children safe, healthy, and educated. Different celebrities come together to raise money and awareness for disadvantaged children.

All ages take part in different activities/challenges to raise money for red nose day.

Red nose day helps us to understand that some people are less fortunate than others. It makes us aware of the struggles some children face in the UK and it encourages everyone to get involved and raise money to help others.

We will also be using **Red Nose Day** as a learning opportunity to help our pupils explore the issues facing young children across the world, and how the money we raise can help. We will link this to our 9 habits of being compassionate and considerate.

We really appreciate your support by bringing in a donation to help Oasis Don Valley raise lots of money for **Red Nose Day**.

Yours sincerely,

Miss Dunning
