

Class Ross/Murphy
Autumn Term 2 2025 

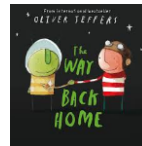

Curriculum overview

This term in English we will focussing our writing on two texts. The Way Back Home and Our Trip to the Woods.

We will focus on composing sentences to create a narrative and structuring our writing to create a non-chronological report.

In Maths, we will continue learning new skills for addition and subtraction. We will then move onto Shape. We will learn how to name 2D and 3D shapes.

Rocket Readers

Your child needs to be reading 5 times a week. This is vital for their progress in all areas of the curriculum! We are aiming for Y1 to have 100% rocket readers!

Please read with your child, ask them questions, discuss their book and record in their reading journal to bring back to school everyday.

Personal Development

In our Personal Development lessons, we will be learning about Citizenship and the World. We will explore what it means to be part of a peaceful community.

Good News

Well done to all the children for their amazing writing linked to our story Stardust.

Home learning

Help at home by....

- Reading 5 times a week and recording in their reading journal.
- Ensuring that your child completes their homework on Showbie each week as this will support their learning.
- Help your child to learn their Y1 spellings using Spelling Shed.
