Class Ross/Murphy
Summer 1 2025

Curriculum overview

This term in English we will focussing our writing on two texts. On Sudden Hill and Paper Dolls.
We will focus on composing sentences to create a narrative and structuring our writing to create instructions. In Maths, we will look at multiplications and division focusing on counting in 2s, 5s and 10s. We will also explore fractions, what half and a quarter of a shape or quantity is and position and direction. Knowing what a full, half, quarter and three-quarter turn l
like and being able to move left and right

Rocket Readers

Your child needs to be reading 5 times a week. This is vital for their progress in all areas of the curriculum! We are aiming for Y1 to have 100% rocket readers!

Please read with your child, ask them questions, discuss their book and record in their reading journal to bring back to school everyday.

Personal Development

In our Personal Development lessons, we will be learning about families; friendship and respecting others. We will explore how to treat themselves and others with respect, understand similarities and differences between people, learn about body privacy and the names of basic body parts and identify the people who love and care for them.

Home learning

Help at home by....

- Reading 5 times a week and recording in their reading journal.
- Ensuring that your child completes their homework each week as this will support their learning.
- Practicing phonics with your children and working on the sounds they are still unsure of.

Good News

Year 1 have been working so hard on their phonics over spring term! Attending phonics boosters and engaging well in lessons and the progress children have been making is incredible! We are so proud.
