

Curriculum overview

This term in English we will be writing our own journey narrative based on the text 'Meerkat Mail'. We will also be writing a non-chronological report on Polar Bears.

In Maths, we will continue learning new skills for addition and subtraction before moving on to looking at Shape.

Rocket Readers

Your child needs to be reading 5 times a week. This is vital for their progress in all areas of the curriculum! We are aiming for Y2 to have 100% rocket readers!

Please read with your child, ask them questions, discuss their book and record in their reading journal to bring back to school everyday.

Personal Development

In our Personal Development lessons, we will be starting to develop our understanding of Democracy and Individual Liberty.

Home learning

Help at home by....

- Reading 5 times a week and recording in their reading journal.
- Ensuring that your child completes their homework each week as this will support their learning.
- Help your child to learn their Y2 spellings using Spelling Shed.
- Make sure your child is regularly using Sumdog

Good News

Well done to all children for the amazing writing they did for their meeting narrative in Autumn 1

Maths and English

Maths

Addition and Subtraction and Shape

English

Non chronological report – 'Can we save the polar bears?'

Narrative – Meerkat Mail
