Class Lewis/Wilson

Spring Term 2 2026

Curriculum overview

This half term we will begin by reading The Secret of Black Rock. The story follows a courageous young girl who is determined to explore the mysteries of the ocean around her home, despite the warnings she has heard about the legendary Black Rock.

In Science, we'll be learning about forces and magnets, exploring how objects move when different forces are applied and investigating how magnets work.

Rocket Readers

Your child needs to be reading 5 times a week. This is vital for their progress in all areas of the curriculum! We are aiming for Y3 to have 100% rocket readers!

Please read with your child, ask them questions, discuss their book and record in their reading journal to bring back to school everyday.

Personal Development

In Personal Development we will be looking at relationships in our life. We will learn the importance of diversity and celebrate differences.

Good News

Well done to all children who are regularly using Sumdog and TT Rock Stars.

Well done to all our children who are reading at home at least 3 times a week.

Home learning

Help at home by….

- Reading 5 times a week and recording in their reading journal or Wheelers!
- Ensuring that your child completes their homework each week as this will support their learning.
- Help your child to learn their Y3 spellings and play on spelling shed.
- Make sure your child is regularly using sumdog and times table rockstars to support them with their times tables
