Dear Parent/Carer

## Mock Exam Results – Wednesday 16<sup>th</sup> March

As you will be aware, our students in Year 10 sat a series of mock exams just before the February half term. A number of these exams were sent away for external marking by professional examiners and we are now in a position to be able to share those results with our students and their families.

We would like to invite you to join your child for a Year 10 Mock Exam Results session which will take place on **Wednesday 16<sup>th</sup> March at 2.15pm** in the Academy.

We realise that this will be a nervous time for many of our students so it would be fantastic if you could join us and support your child as they receive their results at this event. We will also be on hand to answer any questions you may have and look at the next steps for your child.

Before the results are handed out, we will go through the following;

- The results sheet and what it will look like
- The expected progress that can be made from this point
- What subject's will be doing to support your child
- What you can do at home to support your child
- Expectations for home learning
- An opportunity to speak to a Senior Leader about the results and next steps

We hope that you can join us as we look to celebrate our students' learning.

Yours sincerely
