February Half Term School Intervention Sessions

As we move ever closer to the start of the GCSE exams, we want to help prepare and support your child to reach their full potential.

As part of this, they have been asked to attend the following sessions for Y11 of the below February half term school.

Your child will receive key pieces of interventions to allow them to close the gaps they need to the most with their learning. We value your support and hope that you can express the importance of attending to your child and attending on time.

With GCSE exams upcoming, this is a prime opportunity to ensure that the key concepts are embedded with experts and an effective way to support the ongoing revision at home. Subject sessions will be delivered by teachers who are giving up their free time to ensure that your child reaches their maximum potential.
