

26 June 2021

Dear Parent / Carer

Parent Pay – Service stopping 30th June 2021.

From September 2021, we will be using a much-improved method of communicating with our parents and carers, called **My Child At School** (MCAS). This will offer an improved way of working together for yourself as parents and for the Academy.

In order to begin the move over to MCAS we need to stop our current method of receiving payment for student lunches which is through Parent Pay.

As from **Wednesday 30th June** Parent Pay will no longer be available and we will be asking that those parents who use this system pay for their child's lunch by cash for the remaining few weeks of the summer term.

It is important that parents no longer use Parent Pay to top up their child's balance from this date as we will not be able to accept any further money or have access to this service.

Students can pay for their lunch at the Academy Reception on any day but preferably at the beginning of the week.

Over the summer we will finalise the work required to set up our new system and we will be sending out details on how to access and what other services you will be able to use through MCAS.

We would offer our apologies for any inconvenience this may cause but feel that moving to MCAS will offer a much better way of communicating and a more streamlined service for all.

Yours sincerely

A handwritten signature in blue ink that reads "J. Pape".
