Y10 Mock Exams and Intervention

Dear Parent/Carer,

I am pleased to be able to share with you the final details of the mock exams that your child will complete during the upcoming mock exam period. **Mock exams begin on Wednesday 19th June and run until Friday 5th July 2024.** These mock exams are an important part of the work that your child is completing to prepare for their GCSE examinations next year.

At Oasis Academy Don Valley we want to ensure that your child is fully prepared for the GCSE examinations, and we hope that you will fully support us in delivering a successful mock examination period.

These mock exams will ...

- ensure that your child fully **understands the formal JCQ examination regulations**, and how GCSE exams will run in May 2025.
- enable students to **practise their revision techniques** and use the feedback from these mock exams to focus their revision for the next exams.
- provide your child's teachers with a clear **indication of where they may need additional support** to be able to achieve their full potential during the summer 2025 exam period.

You can find the **mock exam timetable attached to this letter** to support your child with their revision and attendance during the mock period. Please also encourage them to use <https://www.gcsepod.com/students/> as a vital revision resource.

Your partnership is invaluable in fostering a positive and supportive learning environment for our students.

Thank you for your ongoing support of your child's education. Together, we can help them achieve success in their academic endeavours.

Yours faithfully,
