INSET DAY Friday 5th July 2024

Dear Parents/Carers

I hope that you and your families are all well.

I am writing to inform you about an extra Inset day that we have decided to have on Friday 5th July 2024. The training and development are vital for ensuring our staff remain well trained in the most effective strategies and approaches to help our pupils make the most of their talents.

Key information:

- Year 10 Geography field trip will still take place. The students that are going on the trip have already been informed and they will be expected to arrive at school at normal time.
- The Reception trip to the DEEP will still take place and the children in Class Donaldson and Ahlberg need to arrive at school and enter their classrooms as usual.
- The Primary SEND reviews will still take place; parents are asked to arrive at the main reception at their allocated time.

This is not decision we have taken lightly, as we know how valuable time in school is for pupils of all ages. We do, though, believe that this extra investment in training and development time will support staff therefore your child/ren.

The Academy will be **open as normal on Monday 8th July.**

Finally, I would like to thank you all your continuing support for our Academy.

Yours sincerely

Mr Mahmood
Principal
