

Curriculum overview

This term in English we will be exploring the story 'Stardust'. We will explore different sentence types and write about different parts of the story using their phonics to build vocabulary.

In Maths, we will be investigating place value, we will also be using this knowledge to help us with addition and subtraction.

Rocket Readers

Your child needs to be reading every night. This is vital for their progress in all areas of the curriculum! We are aiming for Y1 to have 100% rocket readers!

Please read with your child, ask them questions, discuss their book and record in their reading journal to bring back to school everyday.

Personal Development

In our Personal Development lessons, we will be how we can manage our emotions using the zones of regulation and understanding how our body can tell us what zone we are in.

Home learning

Help at home by....

- Reading every night and recording in their reading journal.
- Ensuring that your child completes their homework each week as this will support their learning.
- Help your child to learn their Y1 spellings using Spelling Shed.
- Make sure your child is regularly using Sumdog.

Good News

Well done to all Y1's for the fantastic positive start to this term !

Maths and English

Maths

Place value, Addition and Subtraction

English

Narrative based on stardust.
