Class Ross/Murphy
Summer 2 2025

Curriculum overview

This term in English we will focussing our writing on a short film, Song of the Seas. We will also be exploring poetry. We will focus on composing sentences to create a narrative. In Maths, we will develop our understanding of multiplications and division with a particular focus on counting in 2s, 5s and 10s. We will also build our knowledge of place value within 100 and explore practical application through work on money and time.

Rocket Readers

Your child needs to be reading 5 times a week. This is vital for their progress in all areas of the curriculum! We are aiming for Y1 to have 100% rocket readers!

Please read with your child, ask them questions, discuss their book and record in their reading journal to bring back to school everyday.

Personal Development

In our Personal Development lessons, we will be focussing on reflecting on how we contribute to the academy way and setting personal goals. Children will explore feelings and understand how these are linked to the behaviours they display. We will also be learning a variety of ways to rest and relax, understand the importance of sleep and develop simple hygiene routines.

Home learning

Help at home by....

- Reading 5 times a week and recording in their reading journal.
- Ensuring that your child completes their homework each week as this will support their learning.
- Practicing phonics with your children and working on the sounds they are still unsure of.

Good News

Year 1 have shown fantastic determination and dedication to their phonics learning throughout Summer 1.Children have been taking part in extra phonics lessons and participating positively in lessons. We can't wait to see the hard work pay off!.
